

**PARAGON**  
AM Technologies

3D printing for  
Production!

**3D PRINTING ADDITIVE MANUFACTURING SOLUTIONS**

## MACHINERY & INSTRUMENTATION

Agricultural  
Packaging  
Manufacturing Aids  
Instrumentation  
Metrology

### CHEAPER

For small runs to medium sized runs.

### FASTER PRODUCTION

No tooling time wait.

### COMPLEX GEOMETRIES

Design freedom without cost incursion. No MOQs.

### CUSTOMISATION

Fulfil customers' specialised requirements.

### PARTS ON DEMAND

Lower inventories. Faster turnaround times.

### TOWARDS SUSTAINABILITY

Less material wastage. More recyclability in production.
